CLASSIFICATION

ALL SHOOTERS must have a complete list of their target scores and averages up to date. If not up to date, shooter may be penalized at the discretion of the Classification Committee. Any shooter with less than a total of 500 16-yard targets for the current 2008-2009 year shall shoot no less than Class B. Any shooter who has shot less than 500 handicap targets for the current year shall shoot no less than 23 yards. Any shooter who has shot less than 300 doubles targets for the current year shall shoot no less than Class B. It shall be the shooter's responsibility to shoot the punched or stamped yardage on his card. (Whichever is the greater).

ALL TARGET requirements are based from September 1, 2009 and must be on your current card.

All Class winners and ties, resident and non-resident, must report to Handicap Committee for reclassification prior to the next day's event. It is the shooters responsibility to shoot the correct classification or yardage. Starting Wednesday, all ties and winners must move up a class.

I.R.S. regulations require a Social Security number before accumulated event winnings of over \$600 can be distributed. Classification Committee personnel will be able to directly input Social Security numbers at the time of classification. If you anticipate receiving option checks through the mail, it will be necessary to report your Social Security number at the time of classification.

The Classification Committee reserves the right to reclassify or disqualify any shooter at any time.

An error at the handicap table does not relieve a shooter of the responsibility of knowing the rules and shooting in the proper class and at the proper yardage.

SPECIAL CATEGORIES

IT IS THE SHOOTERS RESPONSIBILITY TO MAKE SURE THAT ALL SPECIAL CATEGORIES (Lady, Junior, Sub-Junior, Veteran, Sr. Veteran) is clearly marked at time of classification and clearly marked on all entry sheets.
